As per p. 75 of our iBook: "Yukon First Nations Traditional Territory recognition" must be on our report cards.

Whitehorse example:

We acknowledge, recognize and respect that we live, work and learn within the traditional territories of the Kwanlin Dün First Nation and the Ta'an Kwäch'än Council.

Student Self-Assessment of Core Competencies

It provides the teacher with a space to address the Core Competencies Self-Assessment.

Example:

- Charlie's Self-Assessment of Core Competencies may be viewed within Aspen's Online Portal.
- Charlie's Video Self-Assessment of Core Competencies may be viewed at: (insert link here)
- Charlie's Self-Assessment of Core Competencies is attached.

Teacher Overall Comment

It allows the teacher to provide information that is not directly related to an individual learning area. It may be used to report on work habits.

Examples:

- A personal, positive, comment to the student as this is a final summative report.
- Charlie's FreshGrade portfolio may be viewed at: (insert link here)

These three boxes always appear before the individual subject areas.
 They cannot be moved to another location.
