Think about your learning this year and use this box (e.g., description, drawing, photo, video link, etc.) to show how you have demonstrated or developed your core competencies.

Student signature: \_\_\_\_\_

The core competencies are a set of skills and abilities that are the foundation of our new curriculum. These skills are embedded in every area of learning and developed over a student's entire education. Teachers help guide and support the development of the core competencies; they do not report on this aspect of the curriculum. As shown in this self-assessment, students take ownership of learning by reflecting on and assessing their growth in the core competencies.

## Core Competencies

C
