

Name: _____ School: _____ Date: _____

Think about your learning this year and use this box (e.g., description, drawing, photo, video link, etc.) to show how you have demonstrated or developed your core competencies.

Student signature: _____

The core competencies are a set of skills and abilities that are the foundation of our new curriculum. These skills are embedded in every area of learning and developed over a student's entire education. Teachers help guide and support the development of the core competencies; they do not report on this aspect of the curriculum. As shown in this self-assessment, students take ownership of learning by reflecting on and assessing their growth in the core competencies.
